NEW!! Aramaic Jesus - An Introduction to the Teachings of Jesus in His Native Language

Explore the sound and substance of some of the teachings of Jesus in Aramaic. We will experience simple, traditional practices of chant, prayer, and contemplation common to Jesus, his disciples, and the people of ancient Palestine. Using our own voice to speak and chant the words of Jesus can bring each of us into a direct and immediate experience of his healing message.

Facilitator: Devi Mathieu is a singer, writer, and teacher. A student and practitioner of Tibetan Buddhism, American Sufism, and Christian mysticism for more than 30 years, her studies also embrace pre-Christian and native Middle Eastern traditions, Judaism, and Eastern European song and dance traditions.
