

# Meeting the Mystics Series

*A monthly gathering at the Journey Center.*

Throughout the past 2,000 years, men and women have been called to the mystical path of ever-deepening relationship with the Divine and have encouraged followers of Christ to engage more and more fully with Holy Mystery.

## **Friday, November 9, 7-9 p.m.** **The Divine Light and Divine Energies of God**

This month we'll explore the mystical experience of 'the Divine Light' and listening to how this revelation spoke to many nations through the ages. Our focus will be on the teachings of Orthodox monk and Archbishop,

Gregory Palamas, and his writings on 'the uncreated light' and the 'divine energies' of God, which expressed the truth that the Living God is accessible to human experience. For more information: [www.thekingscourt.com/dlat.htm](http://www.thekingscourt.com/dlat.htm).

*Guest facilitator Will Goldstein has been a musician and Christian songwriter for thirty years. He has long had an active interest in theology and the topic of The Divine Light. Will was an initiate of Sant Kirpal Singh, a spiritual teacher of Surat Shabd Yoga from India before converting to Christianity in 1975.*

*Cost: \$10. Register online or call 707-578-2121.*

*In this series, we will be inviting speakers to introduce us to these contemplative ancestors of ours. In each session we'll learn about a particular mystic, experience a practice that supported them in their journey, as well as have time for personal reflection and sharing.*
